

CAMPUS CRIME & SAFETY REPORT

Pivot Point Academy wants to ensure that students, staff, and clients/guests of our campus are safe and protected at all times. The doors to our business will remain unlocked during regular business hours. Therefore, all occupants are advised to alert campus management of anything or any person they feel may be a threat or may hinder the protective work/educational environment. All students and staff have a duty to warn the school's campus manager (or an available administrator) of any violation of the school's policies and procedures which would in any way place the students, staff and/or customers in harm's way.

Pivot Point Academy is equipped with fire safety equipment including but not limited to fire extinguishers and fire alarms. Smoke detectors, sprinklers and/or security alarm systems are also present. In our effort to provide a safe and protective environment, Pivot Point students and staff are encouraged to educate themselves on basic safety and crime prevention practices.

Students and/or staff found to be engaging in any kind of criminal activity, including violations of the Drug Free Schools and Communities Act of 1989 will be subject to disciplinary action up to and including expulsion or termination. Crimes will be recorded on the crime report log, which is available for review upon request.
